- Ultra-compact, self-contained wheeled case

Room Requirements

15' X 15' space with one 110v power outlet.

Mission-Specific Training

MILO's mission-specific training scenarios provide reality-based, interactive judgment training for law enforcement, military personnel, school officials, security teams, healthcare facilities, places of worship, mental health professionals, and in-custody corrections officers. Our library spans more than twenty categories, with training missions covering scenarios like suicidal subjects, domestic disputes, trespassing, mental health emergencies, and active shooter situations.

- Active Shooter
- Armed Disturbances
- Burglaries and Alarms
- Concealed Carry
- Customs & Border Protection
- Disorderly and Intoxicated
- DNR
- Domestic
- Duty to Intervene

- Healthcare Facilities
- Homeland Security
- In Custody and Corrections
- Juvenile
- K-9
- Mental Health
- Military Operations
- Patrol
- Private Security

- Probation and Parole
- Security
- School Resource
- Skill Builders
- Special Operations
- Traffic Stops
- Verbal Defense & Influence
- Workplace Violence

Highlighted Features

KnowledgeBase Library

By utilizing KnowledgeBase from within the MILO Range session screen, instructors can present agency documentation, policy and procedures, images, videos, and presentations to the student via the projected screen downrange. KnowledgeBase empowers instructors to immediately reinforce policy and address missed learning objectives.

Lowlight and Flashlight Training Features

Switch to interactive lowlight and flashlight on all video-based and most GraphX scenarios. The MILO Range Theater, PRO, and Advanced systems allow you to quickly toggle into lowlight/flashlight mode based on your training needs and adjust the ambient lighting level.
